

NAUTIC MOTOR OIL 25W40 4-stroke Outboard

Bardahl Nautic 25W40 4-stroke Outboard is a four-stroke engine oil for outboard motors, developed from high-quality base oils. Anti rust and anti corrosion properties protect the engine components against damage by moisture through a unique anti-wear package based on molybthene / zinc technology. The addition of a series of special additives creates the following properties:

- lubricating all engine parts
- excellent cold start properties
- a particularly strong detergrating power, which keeps the engine cleaner
- a very strong anti-wear, anti-corrosion, anti-oxidation and power
- excellent shear stability

Application

Bardahl Nautic 25W40 4-stroke Outboard is very suitable for use in gasoline inboard & outboard motors that are heavily loaded and make a lot of revs. This oil is not suitable for use in passenger cars, as four-stroke outboard engines have different requirements for the engine oil. This outboard engine oil meets the latest requirements for inboard and outboard engines, laid down by the NMMA.

Specifications

- API SJ/SL
- NMMA FC-W

Analysis data

Test			Results
SAE - Class	Method	Unit	MOTOR OIL 25W40 4-stroke Outboard
Density at 15 °C	ASTM D4052	g/ml	0,892
Viscosity 40 °C	ASTM D445	mm ² /s	151,90
Viscosity 100 °C	ASTM D445	mm ² /s	15,50
Viscosity index	ASTM D2270		104
Flash point COC	ASTM D92	°C	244
Flow point		°C	-21
Total Base Number	ASTM D2896	mg KOH/g	7,7
