

## Classic Motorcycle Oil SAE 50/60

Classic Motor Oil SAE 50 is a low-quality high-quality solvent refined engine oil without viscosity index improvers as used in multigrade oils. Additives have been added to this motorcycle oil that prevent oxidation, wear and corrosion.

### Application

This Bardahl engine oil is suitable for, among other things, all oldtimer HD models until 1985. (excl. Evolution) Thanks to a unique blending method from Bardahl, this oil meets both a SAE 50 as a SAE 60 specification. This makes changing oil in summer and winter unnecessary and therefore works cost-effectively.

### Suitable for

Harley Davidson - Norton - BSA - Indian - Triumph - Panther – Ariel  
Suitable for all USA and British classic motorcycles  
Follow the manufacturer's instructions

### Specifications

API CF-4/SG | MIL L-2104 E | MIL L-46152 E | MB 227.0
