

Classic Gear Oil SAE 80 GL2

Bardahl Classic Gear Oil SAE 80 GL2 is a 100% mineral single grade gearboxoil &cardan oil. The classic-tuned viscosity ensures a constant lubrication film under extreme loads.

Bardahl Classic Gear Oil SAE 80 GL2 has a minimum of additive ring and is therefore fully compatible with bronze copper brass and non-ferrous metals. It is suitable for sealing materials from that time (paper, cork, felt and fabric). The excellent adhesion contributes to minimal wear after long standstills.

Application

Suitable for gearboxes and final drives of classics that require a single grade gearbox oil. Contains a friction reducer.
