

## Car Make Up

**Bardahl Car Make Up** protects against conditions that cause surfaces to become drab, cracked, broken and hard. It protects, restores and beautifies rubber, vinyl, plastic, leather, wood and all other types of surface. **Bardahl Car Make Up** instantly restores original colour and luster to the treated surface. A simple wipe across the surface gives a new car look that lasts for months.

### The problem

Interior car surfaces, especially dashboards, soon look dull, dusty and lifeless. Sun and cleaning products cause dulling, rotting, cracking and hardening.

**Bardahl Car Make Up** solves this problem. Its unique cleaning plus conditioning formula instantly restores color, shine and life to vinyl and other surfaces.

### Properties

- penetrates deeply into the material.
- cleans deep down to restore original.
- is fast and easy to use.
- has an unique anti-static shield that repels dirt and dust.

### Directions for use

Wipe evenly onto a clean surface with a soft cloth or sponge. Allow penetrating and buffing with a soft cloth. Additional applications will give extra protection and luster.

**Bardahl Car Make Up puts the life back into car interiors.**

For a beautiful paintwork use **Bardahl Painter Cleaner** and/ or **Bardahl Hard Wax**.
